DRIVER AGE

Minimum driver age for the vehicle that you selected is 21.

Maximum driver age for the vehicle that you selected is 99.

A Young/Senior Driver Fee of EUR 24.00 per day applies to drivers aged 18-25.

Please note that Young/Senior Driver fees will only be displayed correctly if you enter your age accurately in the search criteria. If you add Additional Drivers to your rental and any of them are classified as Young/Senior Drivers, you may be required to pay both an Additional Driver Fee and a Young/Senior Driver Fee.

Different driver age restrictions apply to various vehicle groups, and these are automatically applied to all online rental searches. If you entered your correct age and the online search returned a specific vehicle group, you are eligible to rent it. Please note that other supplier restrictions, such as driver's license acceptance, still apply.

REQUIRED DOCUMENTS

You and all Additional Drivers must present a full valid original Driver's License and the voucher or booking confirmation document when picking up the vehicle. If your Driver's License has multiple parts, you must present all of them. All requirements apply to both you and any Additional Drivers.

An International Driving Permit is required for anyone whose driver's license was not issued in the following countries or regions:

- EU

Residents of countries that cannot issue International Driving Permits may present an official translation of their National Driver's License. The translation must be issued by an Embassy or Consulate.

You must also present:

Please note that it is your responsibility to make sure that you have all the necessary documentation, that your Driver's License is valid in your intended rental country and for your intended type of rental vehicle, and that you have the correct immigration documents. The same applies if you're planning to visit other countries in the rental vehicle. Your failure to do so will result in your rental being refused and/or considered a no-show and you will be charged accordingly.

OTHER IMPORTANT INFORMATION

NOTICE

For the purposes of this document, "we", "us" and "our" refer to Auto Europe, "you" and "your" refer to the person booking a vehicle rental, and "Supplier" to the specific rental company who will be providing the vehicle. Please also keep in mind that the Terms and Conditions are subject to change without prior notice. These Terms and Conditions are of an informative nature. The legally binding document is the Rental Agreement you sign with the Supplier when the Supplier hands the rental vehicle over to you. Auto Europe does not take any responsibility regarding any agreements you sign locally with the Supplier.

Please note that the names of coverage products, fees, charges, optional extras, etc., used locally by the Supplier may not be exactly the same as the ones displayed on our website. The names here are standardized in order to better compare different Suppliers' offers.

All rates indicated here have been converted into your preferred currency and may be rounded up. We are not responsible for exchange rate fluctuations.

PARKING AND TOLL FEES, TRAFFIC FINES

Please keep in mind that you are responsible for all garaging and congestion charges, parking and other traffic fines and penalties, and toll fees / road tax (if not specified otherwise) incurred during the rental period. All such charges will be forwarded to you along with any administrative charges from us or the Supplier.

The Administration Fee is EUR 30.50.

VEHICLE CONDITION

You must return the vehicle in the same condition as it was in when you received it. The Supplier will charge you at their own rates for any excessive staining/soiling and/or for both internal and external damage (including strong smells). You are responsible for inspecting the vehicle upon pick-up/drop-off and for the cost of any new damage found at the end of your rental period.

If any new damage is found at the end of the rental, a Damage Administration Fee in addition to repair costs is applicable. Please contact the car rental supplier directly for details.

A Damage Administration Fee of EUR 91.50 is applicable if damage has occurred to the vehicle or in case of theft during your rental period. It is charged separately for each damage causing incident.

Please check with the Supplier at the time of vehicle pick-up for details on how to report damage, collisions, theft, vehicle confiscation, impounding, etc. Failure to comply with the correct procedure may result in your insurance coverage becoming invalid and/or the Supplier terminating the rental.

While in charge of the vehicle, you must perform all common sense vehicle maintenance procedures, such as checking and maintaining tire pressure and oil levels.

You must properly react to all warning lights and other signs that may indicate a mechanical problem. If the rental vehicle does have a mechanical problem, you must notify the Supplier immediately and agree upon further action – whether a replacement vehicle will be provided or reimbursable repairs will be authorized. If you have any repairs done to the rental vehicle without the Supplier's prior authorization, the costs will not be reimbursed to you.

Tampering with the odometer is strictly prohibited. If any problems with the odometer are detected, Supplier fees will apply.

You must take all precautions to make sure that the vehicle is not stolen while you are responsible for it. For example, you must never leave keys in the ignition when you are not in the vehicle, lock the vehicle and use all immobilization/alarm equipment available, etc. If the vehicle is stolen due to your negligence, all insurance products, coverages and waivers are considered null and void, and you will be responsible for the full value of the rental vehicle as well as loss of use costs.

Transporting animals in the rental vehicle is not allowed. You are only allowed to transport domestic pets in the rental vehicle if you obtain prior consent from the Supplier.

You are not allowed to fit the rental vehicle with extra equipment, such as luggage and ski racks, towing hooks, etc., unless that extra equipment was provided by the Supplier.

ROADSIDE ASSISTANCE

The Supplier offers limited roadside assistance. Please check for details when picking up the vehicle.

LOST, DAMAGED AND STOLEN ITEMS

You are responsible if the key(s) are lost or damaged and due to pay a penalty fee to the Supplier of the vehicle. Please keep in mind that if you do not return the keys to the Supplier when the car is stolen, your insurance is deemed void and you might be held responsible for the full value of the vehicle. It is important to keep an eye on the keys as it is impossible to steal some newer models without them. In order not to direct any potential thieves to the details of your rental vehicle, it is highly recommended that you take all rental tags off the key(s) and keep them in the glove box until returning the car. Let it be noted that key(s) refer to all types of keys and key-cards. The lost keys penalty fee is EUR 150.00.

SAFETY EQUIPMENT

Please keep in mind that you must use the correct kind of safety equipment as required by law in your destination country so we strongly advise you to familiarize yourself with the requirements before travel and book necessary extras (such as baby seats) beforehand. If you book any type of child seat, most Suppliers will not install it in the rental vehicle and you will be responsible for fitting it yourself. Reflective jacket provided as required by law. If you do not return the jacket, a fee of EUR 10.98 applies.

VEHICLE GROUP/MODEL

The make and model of the car displayed are only guaranteed if it is clearly stated so in the offer. Generally, the particular car displayed on the voucher is for reference only and the Supplier reserves the right to substitute it for an alternative, similar, or upgraded car. If the vehicle on your voucher becomes unavailable at the time of booking due to a breakdown or an accident, the Supplier will provide you with a similar or upgraded vehicle.

BOOKING AMENDMENTS

You must inform us of amendments before your rental period is due to start. Please keep in mind that fees may apply.

CANCELLATIONS AND REFUNDS

You must inform us of cancellations before your rental period is due to start. Please keep in mind that fees may apply.

COMPLAINTS

Please refer to our general Terms of Service for details regarding complaints. If the complaint raised lies with the Supplier, we will inform you how to directly file your complaint with them but will not be able to respond to specific points raised by you.

LOCAL TAX NOTICE

We do our best to ensure that all the prices we display are inclusive of tax. However, please keep in mind that local taxes and fees, like airport surcharges, may be additionally applied by the Supplier on locally paid extra charges, like optional equipment and age-related fees. Local taxes and fees are controlled by local authorities and the Suppliers and may be subject to change.
